| IN RE: PETITION FOR APPROVAL OF TRANSITION ORDER FILED BY THE PREPA REVITALIZATION CORPORATION | **CASE NO.:** CEPR-AP-2016-0001<br><br>**SUBJECT:** PETITION TO INTERVENE FILED BY DR. GUILLERMO RIERA |

## RESOLUTION

On April 26, 2016, the Puerto Rico Energy Commission ("Commission") issued a Resolution notifying its final determination regarding several petitions to intervene. On said occasion, the Commission denied the petition to intervene filed by Dr. Guillermo Riera ("Dr. Riera"). On April 28, 2016, Dr. Riera filed a motion requesting the Commission to reconsider its determination denying his intervention.[1] In response to the motion for reconsideration, the Commission requested Dr. Riera to provide additional information regarding the nature of his participation during the proceeding, specifically, the scope of his intervention before, during and after the Technical Hearing. In compliance with the Commission's order, on May 3, 2016, Dr. Riera filed a supplementary motion detailing the scope of his participation in the proceeding and the subject matter to be addressed through his intervention.

After reviewing Dr. Riera's Motion for Reconsideration and Supplemental Motion, the Commission determines that, in light of Dr. Riera's particular expertise, his intervention in this proceeding will assist the Commission in evaluating the Verified Petition for Restructuring Order filed by the Puerto Rico Electric Power Authority Revitalization Corporation. As such, the Commission reconsiders its prior determination and hereby **GRANTS** Dr. Riera's petition to intervene.

For the benefit of all the parties involved, the Commission issues this Resolution in both Spanish and English languages. Should any discrepancy between each version arise, the content and provisions of the Spanish version shall prevail.

[1] See, *Solicitud de Reconsideración a Denegatoria sobre Petición de Intervención.* Although the April 26, 2016 Resolution did not consider the filing of a motion for reconsideration, the proper remedy being judicial review before the Court of Appeals, the Commission, in full use of its discretion and powers, determined to address Dr. Riera's motion for reconsideration.

Be it notified and published.
