CASE NO.: CEPR-AP-2016-0001

SUBJECT: Clarification and *Nunc Pro Tunc*  
Resolution – Technical Hearing Procedural  
Order

**CLARIFICATION AND NUNC PRO TUNC RESOLUTION**

On May 18, 2016 the Puerto Rico Energy Commission (“Commission”) issued a Resolution and Order establishing the procedural guidelines and itinerary applicable to the Technical Hearing to be held as part of the evaluation of the Verified Petition for Restructuring Order (“Petition”) filed by the Puerto Rico Electric Power Authority Revitalization Corporation (“Corporation”).

Attachment A of said Resolution and Order provides the latest possible date and time on which each panel will commence, a description of the topics and issues to be addressed and the witnesses that will comprise each panel. Through this Resolution, the Commission corrects and updates the witness list for panels six (6) and seven (7). As such, the Commission states the following:

- AC*  
*Al*
1. Panel six (6) shall be comprised of the following witnesses: **Quintana-Méndez, Gil-Olazábal and Mace.**
  2. Panel seven (7) shall be comprised of the following witnesses: **Donahue, Quintana-Méndez, Gil-Olazábal, Stathos and Mace.**

Furthermore, the Commission clarifies that, with regards to sub-section (3) of section V of the May 18, 2016 Resolution and Order, the date and time listed on Attachments A and B as start time for each panel, or portion thereof, refers to the latest possible time on which each each panel may start without affecting the itinerary established for any subsequent panel. As such, each Panel (with the exception of Panel one (1)) may begin prior to the date and time set forth in Attachments A and B of said Resolution and Order. The Commission will procure efficient time management for each panel in order to expedite the proceedings and, when possible, begin any panel ahead of schedule. All parties must ensure their witnesses and/or representatives are present and available to begin the proceedings related to any panel prior to the date and time set forth in Attachments A and B of said Resolution and Order.

For the benefit of all the parties involved, the Commission issues this Resolution and Order in both Spanish and English languages. Should any discrepancy between each version arise, the content and provisions of the Spanish version shall prevail.

Be it notified and published.
