

COMMONWEALTH OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION

IN RE:

PUERTO RICO ELECTRIC POWER
AUTHORITY REVITALIZATION
CORPORATION,

Petitioner.

NO. CEPR-AP-2016-0001

SUBJECT: *Resolution and Order of
April 22, 2016*

**PREPA REVITALIZATION CORPORATION'S
REQUEST OF EXTENSION OF TIME TO COMPLY WITH THE
COMMISSION'S RESOLUTION AND ORDER OF APRIL 22, 2016**

Comes now the Petitioner, Puerto Rico Electric Power Authority Revitalization Corporation (the "Corporation"), through the undersigned counsel, and respectfully states, alleges and prays as follows:

1. On April 22, 2016, this Commission issued a *Resolution and Order* in which, among other matters, it ordered the Corporation

"to publish, pursuant to the provisions of sub-section (f)(3) of Article 6.25 A, the public notices included and made part of this Resolution and Order as Attachment A. The Corporation shall publish said notices **no later than April 29, 2016**. When publishing said notices, the Corporation shall ensure strict compliance with all applicable laws, including those related to the publishing of public notices during electoral year."

(See *Resolution and Order*, Section II, p. 3).

2. In order to comply with the *Resolution and Order*, and all the applicable laws and regulations related to the publishing of the public notices ("Public Notice") during the electoral year, on April 27, 2016, the Corporation submitted its request to the State Elections Commission

seeking the corresponding authorizations. However, the State Elections Commission has yet to issue a determination on that request.

3. Section (f)(1) of Article 6.25A of Law 57-2014, as amended by Law 4-2016, clearly establishes the following:

“The Commission shall notify the public of the upcoming public hearing or hearings to evaluate the request of the Corporation **at least fifteen (15) days prior to the holding of such hearings.** Said notice shall include the matters to be discussed, as well as the time, date and place of the hearing. The notice shall also comply with the following: (i) said notice shall be published in two (2) newspapers of general circulation in the Commonwealth **at least twice (2) during such fifteen (15)-day period,** (ii) **said notice shall be exhibited during such fifteen (15)-day period in the main offices of the Commission,** the Corporation and the Authority in a conspicuous place accessible to the public during regular business hours, and (iii) a copy of such notice along with copies of the request, including the form of the initial Restructuring Resolution, and all supporting documents required to be filed along with the request shall be posted on the websites of the Commission, the Corporation, the Authority, and the Government Development Bank for Puerto Rico, safeguarding any confidential or privileged information included therein, if any.” (Emphasis added).

4. Although the Corporation is still not able to publish the required Public Notice until obtaining prior authorization from the State Elections Commission, if we apply the terms contained in Article 6.25A and take into consideration that the Commission scheduled the Technical Hearing for May 24, 2016, the Corporation will be in compliance if the Public Notice is initially published on or before May 9, 2016, and published a second time prior to May 24, 2016. The itinerary scheduled for the Technical Hearing will not be affected by the Corporation’s request.

WHEREFORE, the Puerto Rico Electric Power Authority Revitalization Corporation respectfully requests that the Honorable Commission to grant the Corporation until May 9, 2016, to comply with the terms provided in Article 6.25A, *supra*, for the publication of the Public Notice.
