John Keene
DG Solar Lessee II, LLC
179 Lincoln St. Suite 500
Boston, MA 02111

Dear Mr. Keene :

CERTIFICATION OF ELECTRIC SERVICE PROVIDER

After the company **DG SOLAR LESSEE II, LLC** filed their Request for Certification, the Puerto Rico Energy Commission ("Commission") proceeded to evaluate the same pursuant the provisions of Regulation 8701, Amendment of Regulation 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico.

It has been determined that the company **DG SOLAR LESSEE II, LLC** meets the requirements established by the Commission to provide the service of **electric power generation for sale in Puerto Rico thorough distributed generation with aggregate capacity of less than five (5) MW.**

As an attachment to this communication you may find the Certificate issued by the Commission for such purposes.

Sincerely,

A handwritten signature in black ink, appearing to read 'Vanessa I. Acarón Toro'.

Vanessa I. Acarón Toro
Director
