Ms. Carolyn Byun
HSEA PR ISLA SOLAR III LLC
300 Spectrum Center Drive, Ste 1250
Irvine, CA 92618

Dear Ms. Byun:

CERTIFICATION OF ELECTRIC SERVICE PROVIDER

After the company **HSEA PR ISLA SOLAR III LLC** filed their Request for Certification, the Puerto Rico Energy Commission (“Commission”) proceeded to evaluate the same pursuant the provisions of Regulation 8701, Amendment of Regulation 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico.

It has been determined that the company **HSEA PR ISLA SOLAR III LLC** meets the requirements established by the Commission to provide the service of **electric power generation for sale in Puerto Rico through distributed generation with aggregate capacity of less than five (5) MW**.

As an attachment to this communication you may find the Certificate issued by the Commission for such purposes.

Sincerely,

Vanessa I. Acarón Toro
Director
Planning and Engineering Office

CERTIFICATION

ELECTRIC SERVICE PROVIDER

I, **VANESSA I. ACARÓN TORO**, Director of the Planning and Engineering Office of the Puerto Rico Energy Commission,

CERTIFY: That, after evaluating the Request for Certification presented by **HSEA PR ISLA SOLAR III LLC** to provide the service of **electric power generation for sale in Puerto Rico through distributed generation with aggregate capacity of less than five (5) MW**, pursuant to the provisions of Regulation 8701, Amendment of Regulation 8618, on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico, it is complete and meets the requirements established by the Puerto Rico Energy Commission to provide the aforementioned services.

Certification Number: CEPR-CT-2016-0003

IN WITNESS THEREOF, I sign this and affix the seal of the Puerto Rico Energy Commission, in the city of San Juan, Puerto Rico, today, **May 10, 2016**.

VANESSA I. ACARÓN TORO
Director
Planning and Engineering Office
