

May 10, 2016

Mr. George Fibbe
Sunnova Energy Corporation
20 E. Greenway Plaza, Suite 475
Houston, TX 77083

Dear Mr. Fibbe:

CERTIFICATION OF ELECTRIC SERVICE PROVIDER

After the company **Sunnova Energy Corporation** filed their Request for Certification, the Puerto Rico Energy Commission (“Commission”) proceeded to evaluate the same pursuant the provisions of Regulation 8701, Amendment of Regulation 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico.

It has been determined that the company **Sunnova Energy Corporation** meets the requirements established by the Commission to provide the service of **electric power generation for sale in Puerto Rico through distributed generation with aggregate capacity of less than twenty (20) MW.**

As an attachment to this communication you may find the Certificate issued by the Commission for such purposes.

Sincerely,

Vanessa I. Acarón Toro
Director
Planning and Engineering Office

COMISIÓN DE ENERGÍA DE PUERTO RICO
ESTADO LIBRE ASOCIADO DE PUERTO RICO

CERTIFICATION ELECTRIC SERVICE PROVIDER

I, **VANESSA I. ACARÓN TORO**, Director of the Planning and Engineering Office of the Puerto Rico Energy Commission,

CERTIFY: That, after evaluating the Request for Certification presented by **Sunnova Energy Corporation** to provide the service of **electric power generation for sale in Puerto Rico through distributed generation with aggregate capacity of less than twenty (20) MW**, pursuant to the provisions of Regulation 8701, Amendment of Regulation 8618, on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico, it is complete and meets the requirements established by the Puerto Rico Energy Commission to provide the aforementioned services.

Certification Number: CEPR-CT-2016-0002

IN WITNESS THEREOF, I sign this and affix the seal of the Puerto Rico Energy Commission, in the city of San Juan, Puerto Rico, today, **May 10, 2016**.

Vanessa J. Acarón Toro
