

COMMONWEALTH OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION

IN RE: INTEGRATED RESOURCE PLAN FOR
THE PUERTO RICO ELECTRIC POWER
AUTHORITY

NO.: CEPR-AP-2015-0002

SUBJECT: Steam Combustion Technology,
Inc.'s Comments.

RESOLUTION

On September 26, 2016, the Puerto Rico Energy Commission (“Commission”) issued its Final Resolution and Order on the First Integrated Resource Plan of the Puerto Rico Electric Power Authority (“Final Resolution”). On October 13, 2016, the Puerto Rico Electric Power Authority (“PREPA”) filed before this Commission a motion to reconsider the Final Resolution (“Motion to Reconsider”). Through Resolution and pursuant to Section 3.15 of the Uniform Administrative Procedure Act (“UAPA”),¹ the Commission decided to consider PREPA’s Motion to Reconsider and to issue a final resolution on its merits.² In said Resolution, the Commission invited the intervenors in the present case to comment on PREPA’s Motion to Reconsider.

On October 29, 2016, *Steam & Combustion Technology, Inc.* (“*Steam Combustion*”) filed before this Commission a document in which it presents its comments and suggestions with respect to the Final Resolution. To that effect, PREPA filed a motion titled “PREPA’s Verified Motion for Leave to Reply to Certain Intervenor Comments”, in which it opposes *Steam Combustion*’s comments, given that *Steam Combustion* is not an intervening party in this case.³ As PREPA points out, *Steam Combustion* is neither an intervening party in the present procedure, nor did it submit its comments within the period to submit public comments to PREPA’s proposed IRP.⁴

Given the fact that *Steam Combustion* is not an intervening party in the present case, and that its comments were submitted more than five (5) months after the period for public comments to PREPA’s proposed IRP had ended, *Steam Combustion*’s comments are considered **NOT PRESENTED**. We thank the interest shown by *Steam Combustion* in the present case and we invite it to participate in future procedures before the Commission. To that effect, we recommend *Steam Combustion* to adhere to the regulations and calendars published by the Commission.

¹ 3 L.P.R.A. § 2165.

² See Resolution, *Motion to Reconsider the Final Resolution and Order of the First Integrated Resource Plan for the Puerto Rico Electric Power Authority*,

³ *PREPA’s Verified Motion for Leave to Reply to Certain Intervenor Comments*, CEPR-AP-2015-0002, at 2 note 1, November 17, 2016.

⁴ The period for the public to submit written comments to PREPA’s proposed IRP expired on June 6, 2016. Similarly, the public in general had the opportunity to participate in two public hearings, one on May 18, 2016 and another on June 14, 2016, as announced in the newspaper on May 5, 2016 and June 7, 2016.

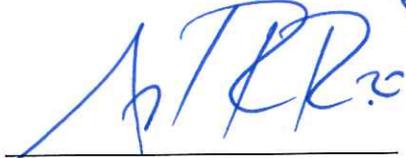

For the benefit of all the parties involved, the Commission issues this Resolution in English and Spanish. Should any discrepancy between each version arise, the Spanish version shall prevail.

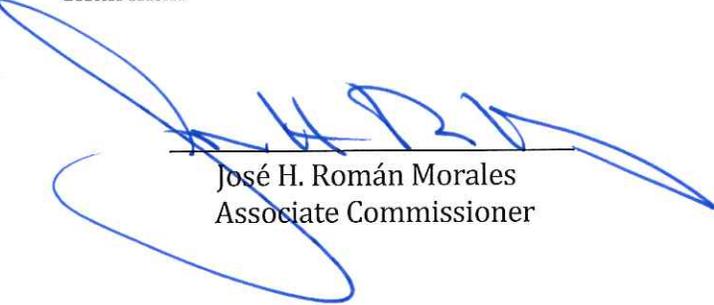

Be it notified and published.

Agustín F. Carbó Lugo
Chairman

Ángel R. Rivera de la Cruz
Associate Commissioner

José H. Román Morales
Associate Commissioner

CERTIFICATION

I hereby certify that the Puerto Rico Energy Commission has so agreed on November 23, 2016.
