Re: *In re*: Aguirre Site Economic Analysis, No. CEPR- AP-2017-0001; AOGP Initial Technical Conference

Dear Ms. Ayala,

As notified by the Puerto Rico Energy Commission (“Commission”) on its February 10, 2017 Order initiating the proceeding on the Aguirre Site Economic Analysis (“Order”), the Commission will hold an initial technical conference to discuss any questions PREPA may have regarding the requirements or the procedural calendar set forth and notified in the Order.

The scheduling and dial-in information for the initial technical conference is the following:

AOGP Initial Technical Conference

Tue, Feb 21, 2017 10:00 AM - 12:00 PM AST

Online access: <https://global.gotomeeting.com/join/831086653>

Dial-in: +1 (571) 317-3112

Access Code: 831-086-653

During the call, PREPA may ask any clarification questions it has with regards to the proceeding set forth by the Commission. Interested parties are welcomed to listen in on the call, but the Commission will not address questions from interested parties at this point. The Commission will, if necessary, schedule additional technical conference to address questions raised by parties authorized to intervene in the instant case.

If any party has a questions with regards to this Initial Technical Conference Call they may contact the Commission by writing to legal@energia.pr.gov.
