

COMMONWEALTH OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION

RE: INTEGRATED RESOURCE PLAN FOR
THE PUERTO RICO ELECTRIC POWER
AUTHORITY

MATTER NO.: CEPR-AP-2015-0002

SUBJECT: CLARIFICATION MEETING

ORDER

On December 4, 2015, the Puerto Rico Energy Commission ("Commission") issued the *Order on IRP Compliance and Intervenors' Comments* ("December 4 Order"), in which the Commission ordered the Puerto Rico Electric Power Authority ("PREPA") to amend and supplement its updated IRP filing per the requirements made therein. The Commission ordered PREPA to address some deficiencies in order to place the Commission in a position to review and approve an IRP that complies with its purpose: a least cost planning tool to determine technically feasible and prudent investment decisions. The Commission also invited intervenors to comment on specific topics of the IRP.

On December 11, 2015 PREPA timely filed a motion titled *PREPA Clarification Questions regarding Order of December 4, 2015*. As the title of the motion suggests, PREPA has requested the Commission to clarify some of the requirements made in the December 4 Order.

Having examined PREPA's motion, the Commission determined to hold a clarification meeting with PREPA. The **only** purpose of this clarification meeting will be for the Commission to address PREPA's questions and to clarify the content of the December 4 Order. Therefore, the meeting will not cover any substantive or procedural matters related to this procedure. Given the particular purpose of the meeting, intervenors will have the opportunity to be present and participate by **listening** in to the meeting. If any intervenor has comments or questions about the discussion held in the meeting between the Commission's consultants and staff and PREPA's consultants and staff, she or he may submit them in writing to the Commission on or before January 4, 2016.

PREPA is ORDERED to meet with the Commission next Tuesday, December 22, 2015 from 1:00pm (Local Time) to 4:00pm (Local Time) at the Commission's headquarters. The Commission will e-mail the parties the details of how to connect to the meeting remotely.
