TO THE HONORABLE PUERTO RICO ENERGY COMMISSION:

COMES NOW the Puerto Rico Electric Power Authority ("PREPA") and submits this Informative Motion. PREPA is filing three other Motions today, June 3, 2016. This Informative Motion, as to documents that are part of PREPA's rate filing, provides on the next page a table that lists the actions taken or proposed in those three other June 3rd Motions. This table is being provided solely to assist the Energy Commission in understanding the aggregate effects of those three other June 3rd Motions on documents in PREPA's rate filing and taking appropriate actions based on those Motions.
