

COMMONWEALTH OF PUERTO RICO  
PUERTO RICO ENERGY COMMISSION

IN RE: PUERTO RICO ELECTRIC POWER  
AUTHORITY RATE REVIEW

CASE NO.: CEPR-AP-2015-0001

SUBJECT: ICPO discovery request

**RESOLUTION AND ORDER**

On October 19, 2016, the Independent Consumer Protection Office (“ICPO”) filed a motion in which it requested the Puerto Rico Energy Commission (“Commission”) to order the Puerto Rico Electric Power Authority (“PREPA”) to produce certain document<sup>1</sup>, which it incorporated to its answer to question number thirteen of the ICPO first request of information, but failed to attach to its filing.<sup>2</sup> The ICPO also requested the Commission to order PREPA to comply with the Commission’s October 29, 2016 Order, which requires all parties to provide a translation of their filings within two days of the original filing.

After reviewing ICPO’s arguments, the Commission **ORDERS** PREPA to submit the missing document and translation within two (2) days of the notification of this Resolution and Order. However, to ensure procedural economy, the Commission **ORDERS** all parties in this proceeding to exert reasonable efforts to communicate with each other and achieve practical solutions that attain an efficient resolution. Any party seeking relief from the Commission regarding discovery issues will be required to state all actions taken in order to resolve the controversy.

For the benefit of all the parties involved, the Commission issues this Resolution and Order in both Spanish and English languages. Should any conflict between each version arise, the English version shall prevail.

Be it notified and published.
