

COMMONWEALTH OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION

IN RE: PUERTO RICO ELECTRIC POWER
AUTHORITY RATE REVIEW

CASE NO.: CEPR-AP-2015-0001

SUBJECT: Deficiencies on Windmar's
Testimony.

RESOLUTION AND ORDER

On September 27, 2016 the Puerto Rico Energy Commission ("Commission") issued a Resolution that established the format that intervenors had to follow when filing their testimonies. Specifically, the Resolution established that every testimony had to be filed in a question and answer format, each line of the document had to be numbered and it had to clearly identify the persons appearing as witnesses, including their credentials.

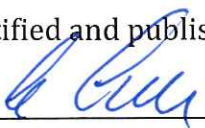

On October 25, 2016 PVP Properties, Inc.; Coto Laurel Solar Farm, Inc.; Windmar PV Energy, Inc. and Windmar Renewable Energy, Inc. (together, "Windmar") filed a document titled *Windmar Group's Testimony on the Rate Review*. Nevertheless, the filed document did not comply with the format requirements described above, since it consisted on a brief of Windmar's positions with regards to several subject matters and it failed to identify the person presenting such testimony. As a consequence, the Commission **REJECTS** the document filed by Windmar on October 25, 2016.

The Commission **ORDERS** Windmar to, on or before October 28, 2016, file its testimony in compliance with all the requirements set forth in the Commission's September 27 Resolution. Windmar's testimony shall be elaborated in a questions and answers format, each line numbered, and shall identify the persons appearing as witnesses, including their credentials.

Failure to comply with the filing of its testimony as stated above, will be construed as Windmar's waiver of its opportunity to file testimony. Furthermore, a request for extention of the deadline set herein will not be granted.

For the benefit of all parties involved, the Commission issues this Resolution and Order in both English and Spanish language. Should any discrepancy between each language arise, the English language shall prevail.

Be it notified and published.
