

COMMONWEALTH OF PUERTO RICO  
PUERTO RICO ENERGY COMMISSION

**IN RE:** PUERTO RICO ELECTRIC POWER  
AUTHORITY RATE REVIEW

**CASE NO.:** CEPR-AP-2015-0001

**SUBJECT:** ICSE-PR reconsideration to  
Commission's consolidation order.

**RESOLUTION AND ORDER**

On November 2, 2016 the Puerto Rico Energy Commission ("Commission") issued an Order requiring the *Instituto de Competitividad y Sostenibilidad Económica de Puerto Rico* ("ICSE-PR", for its Spanish acronym) and the *Cámara de Mercadeo, Industria y Distribución de Alimentos de Puerto Rico* ("MIDA", for its Spanish acronym) to show cause why the Commission should not require them to jointly appear in the instant proceeding, given that Mr. Fernando Agrait appeared both as witness and attorney of record for ICSE-PR and as attorney for MIDA. On November 14, 2016, the Commission issued an Order in which it determined that the lack of response from ICSE-PR and MIDA to the Commission's Order to Show Cause, was acquiescence of the Commission's intention to require their joint appearance in the instant proceeding and ordered the parties to appear jointly for the remainder of the proceeding.

On November 15, 2016, MIDA filed a motion before Commission notifying its intent to desist of their intervention in the instant proceeding. On that same date, ICSE-PR filed a separate motion informing the Commission that by error they omitted to file their response to the November 2, 2016 Order and that they were attaching such document to its motion. ICSE-PR once again failed to attach the referred document. On November 18, 2016, the Commission took notice of MIDA's motion and accepted their resignation to their position as intervenors.

As stated in the November 18 Resolution and Order, the Commission will strike from the record MIDA's testimony, and any discovery issued to PREPA or any other party, as well as their answers to such discovery. The Commission **ORDERS** all parties to disregard MIDA's filings in the present case when addressing any issues on this proceeding. Also, the Commission **ORDERS** the Commission's Clerk and all parties to remove MIDA's representatives from the notifications on the instant proceeding.

In light of the above and the fact that MIDA is no longer part of the instant proceeding, ICSE-PR's motion is academic.

For the benefit of all parties involved, the Commission issues this Resolution and Order in both Spanish and English languages. Should any conflict between each version arise, the English version shall prevail.

Be it notified and published.
