CASE NO.: CEPR-AP-2015-0001

SUBJECT: Extension of time to file
compliance filing and request for technical
conference

RESOLUTION

On January 10, 2017, the Puerto Rico Energy Commission ("Commission") issued its Final Resolution and Order ("Final Order") on the instant proceeding, in which it ordered the Puerto Rico Electric Power Authority ("PREPA") to make certain compliance filings by February 15, 2017. On January 20, 2017, PREPA filed a motion requesting clarification of certain matters included in the Final Order and in the compliance filing requirements. The Commission addressed those issues on a Final Resolution ("Final Resolution on Clarification") issued on March 8, 2017. The Final Resolution on Clarification ordered PREPA to present the compliance filing by March 28, 2017.

On March 27, 2017, PREPA filed a motion titled *Motion for Extension of Time to Comply with Final Resolution* ("Motion") in which it requested the Commission a ten-day extension, until April 7, 2017, to present the compliance filing required by the Commission's Final Resolution on Clarification. PREPA also requested the Commission to hold a technical conference call to clarify certain issues and assumptions that require clarification or confirmation by the Commission.

After reviewing PREPA's petition, the Commission hereby **GRANTS** PREPA's request. PREPA shall submit the compliance filing as ordered in the Final Order, on or before April 7, 2017. Also, the Commission will coordinate with the parties a technical conference call to clarify PREPA's questions. The date and dial-in information for the conference call will be notified by the Commission on a later date.

For the benefit of all parties involved, the Commission issues this Resolution in both English and Spanish language. Should any discrepancy between each language arise, the English language shall prevail.

Be it notified and published.
