PUERTO RICO ENERGY COMMISSION**

**IN RE:** AGUIRRE SITE ECONOMIC ANALYSIS

**CASE NO.:** CEPR-AP-2017-0001

**SUBJECT:** Confidentiality Request 3<sup>rd</sup> Request  
of Information.

**RESOLUTION**

On May 15, 2017, the Puerto Rico Electric Power Authority (“PREPA”) filed its answers to the Puerto Rico Energy Commission (“Commission”) 3<sup>rd</sup> Request of Information (“ROI 3”),<sup>1</sup> including its answer to question CEPR-PREPA-03-02, which contained several attachments.<sup>2</sup> In its filing, PREPA noted that such attachments were deemed to be classified as confidential pursuant to the Commission’s March 15, 2017 Resolution and Order (“March 15 Resolution”).

As part of the March 15 Resolution, the Commission amended the language of Section II(1)(d) of the February 10, 2017 Order<sup>3</sup> to establish that the “price quotes obtained by PREPA shall be deemed confidential trade secrets”.<sup>4</sup> Furthermore, the Commission established that such information would be shared only with the Commission and its Staff.

After examining PREPA’s arguments in support of its request, the Commission **GRANTS** the confidentiality request for the information and documents filed in response to question CEPR-PREPA-03-02. As stated in the March 15 Resolution, such information shall not be disclosed to any other party.

Any party adversely affected by this Resolution may file a motion for reconsideration before the Commission, pursuant to Section 11.01 of Regulation 8543<sup>5</sup> and the applicable provisions of Act No. 170 of August 12, 1988, as amended, known as the Uniform Administrative Procedure Act (“UAPA”). Said motion must be filed within twenty (20) days from the date in which copy of the notice of this Resolution has been filed. Said motion must be filed at the Commission Clerk’s Office. Copy of this motion as filed must be sent by email to all the parties notified of this Resolution within the timeframe established herein.

<sup>4</sup> Resolution and Order, Case No. CEPR-AP-2017-0001, March 15, 2017, at 2.

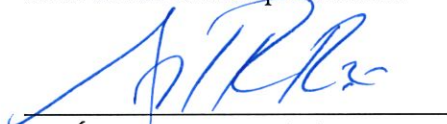

<sup>5</sup> Regulation No. 8543, Regulation on Adjudicative, Notice of Noncompliance, Rate Review and Investigation Procedures.

The Commission shall have fifteen (15) days from the date in which said motion is filed to consider it. If the Commission rejects it forthright or fails to act upon it within said period of fifteen (15) days, the term to seek judicial review shall begin on the date in which the Commission notifies such denial or the date in which said fifteen (15) days expires, whichever occurs first. If the Commission considers the motion, the term to seek judicial review shall commence from the date a copy of the notice of the Commission's resolution definitively resolving the motion for reconsideration is filed. Such resolution shall be issued and filed within ninety (90) days after the motion for reconsideration has been filed. If the Commission considers the motion for reconsideration but fails to take any action with respect to such motion within ninety (90) days of its filing, it shall lose jurisdiction to consider it and the term to seek judicial review shall commence upon the expiration of said ninety (90) day term, unless the Commission, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

In the alternative, any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date a copy of the notice of this Resolution was filed in the record of the Commission. This in accordance with Section 11.03 of Regulation 8543, the applicable dispositions of UAPA and the rules of regulation of the Court of Appeals.

For the benefit of all the parties involved, the Commission issues this Order in both English and Spanish languages. Should any discrepancy between each version arise, the English version shall prevail.
