

COMMONWEALTH OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION

IN RE: AGUIRRE SITE ECONOMIC
ANALYSIS

CASE NO.: CEPR-AP-2017-0001

SUBJECT: PREPA's Request for Extension of
Time to Provide Responses to CEPR-PREPA-
07-03.

RESOLUTION

On July 21, 2017, the Puerto Rico Electric Power Authority ("PREPA") filed before the Puerto Rico Energy Commission ("Commission") a *Request for Extension of Time to Comply with Order Dated July 18, 2017 Requesting Response to ROI No. 7-03*. In its motion, PREPA states that while it has been "working diligently to provide the responses to the alternate request provided by this Commission . . . it has been, and will be, impossible to submit the complete response"¹ by the established deadline. Based on the above, PREPA requests an extension of time until July 28, 2017 to provide the responses to request CEPR-PREPA-07-03.

In light of the aforementioned, the Commission **DENIES** PREPA's request for extension of time. Notwithstanding the above, the Commission **GRANTS** PREPA until July 26, 2017 to file the pending response for CEPR-PREPA-07-03.

For the benefit of all the parties involved, the Commission issues this Resolution in both Spanish and English languages. Should any conflict between each version arise, the English version shall prevail.

Be it notified and published.
