

**GOVERNMENT OF PUERTO RICO
PUERTO RICO ENERGY COMMISSION**

IN RE: PUERTO RICO ELECTRIC POWER
AUTHORITY'S FISCAL PLAN

CASE NO.: CEPR-IN-2018-0001

SUBJECT: Resolution Suspending Public
Hearing Until Further Notice.

RESOLUTION

On January 31, 2018, the Puerto Rico Energy Commission ("Commission"), pursuant to its authority under Article 6.3, 6.4 and 6.24 of Act 57-2014¹ and Article XV of Regulation 8543,² initiated an investigation into the Amended & Restated Fiscal Plan ("PREPA Fiscal Plan") filed before the Financial Oversight and Management Board for Puerto Rico ("FOMB") by the Puerto Rico Fiscal Agency and Financial Advisory Authority ("AAFAF") on behalf of the Puerto Rico Electric Power Authority ("PREPA") on January 24, 2018. The Commission scheduled a public hearing to be held on February 16, 2018, and anticipated issuing its final report on or before February 22, 2018.

On February 5, 2018, the FOMB issued a notice addressed to the Governor of Puerto Rico, Hon. Ricardo A. Rosselló Nevárez, requiring certain revision and modifications to the PREPA Fiscal Plan ("February 5 Notice").

On February 12, 2018, AAFAF filed with the FOMB a revised version of the PREPA Fiscal Plan, as required by FOMB's February 5 Notice. The revised PREPA Fiscal Plan has not been made public nor shared with the Commission.³

Given the Commission has not had access to the revised PREPA Fiscal Plan, it hereby **SUSPENDS**, until further notice, the public hearing scheduled for February 16, 2018.

¹ The Puerto Rico Energy Transformation and RELIEF Act, as amended.

² Regulation on Adjudicative, Notice of Noncompliance, Rate Review and Investigation Proceedings.
