PUERTO RICO ENERGY COMMISSION

IN RE: REQUEST FOR CERTIFICATION
SUNE W-PR1, LLC

CASE NO.: CEPR-CT-2016-0016

SUBJECT: PETITION FOR CONFIDENTIAL
TREATMENT OF INFORMATION

RESOLUTION

On October 12, 2017, the Puerto Rico Energy Commission (“Commission”) issued a letter to SunE W-PR1, LLC (“SunE”) through which it requested a report on the damages caused by Hurricane María to the aforementioned company. SunE presented its findings on the damages suffered by its electric system on January 8, 2018. As part of its filing, SunE requests confidential treatment for the information presented. SunE states that the information contained in the document includes sensitive financial and corporate information, which if it were to be disclosed, would position the company at a competitive disadvantage.

After an evaluation of the information contained in the report on damages caused by Hurricane María, the Commission **GRANTS** the request for confidential treatment sought by SunE.

Any party affected by this determination may file a motion for reconsideration of this Resolution before the Commission pursuant to Section 11.01 of Regulation 8543,¹ and the applicable provisions of Act 38-2017, known as the Uniform Administrative Procedures Act of the Government of Puerto Rico (“UAPA”). The affected party shall file its motion for reconsideration within the term of twenty (20) days from the date of the filing of this Resolution. Such request must be presented to the Commission Clerk’s Office.

The Commission shall consider said motion within fifteen (15) days of its filing. Should the Commission reject it forthright or fail to act upon it within fifteen (15) days, the term to request review shall recommence from the date of notice of such denial, or from the expiration of the fifteen (15)-day term, as the case may be. If a determination is made in its consideration, the term to petition for review shall commence from the date when a copy of the notice of the Commission’s resolution definitively resolving the motion to reconsider is filed in the record of the case. Such resolution shall be issued and filed in the record of the case within ninety (90) days after the motion to reconsider has been filed. If the Commission accepts the motion to reconsider but fails to take any action with respect to said motion within ninety (90) days of its filing, it shall lose jurisdiction on said motion and the term to file judicial review shall commence upon the expiration of said ninety (90)-day term, unless the Commission, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

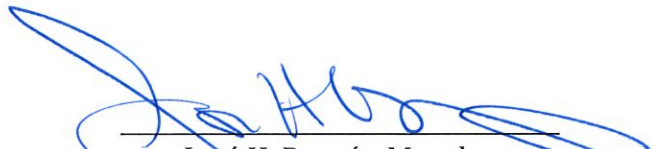

¹ Regulation No, 8543, Regulation on Adjudicative, Notice of Noncompliance, Rate Review and Investigative Proceedings.

In the alternative, any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date the copy of the notice of this Resolution was filed in the record of the Commission. The aforementioned pursuant to Section 11.03 of Regulation 8543, and the applicable dispositions of the UAPA and the Court of Appeals Regulation.

Be it hereby notified and published.
