

December 27, 2016

Mr. Maurizio Grassi  
Oriana Energy LLC  
PO Box 363991  
San Juan, PR 00936-3991

Dear Mr. Grassi:

### **CERTIFICATION OF ELECTRIC SERVICE PROVIDER**

After the company **Oriana Energy LLC** filed their Request for Certification, the Puerto Rico Energy Commission (“Commission”) proceeded to evaluate the same pursuant to the provisions of Regulation 8701, Amendment of Regulation 8618 on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico.

It has been determined that the company **Oriana Energy LLC** meets the requirements established by the Commission to provide the service of **electric power generation by means of renewable energy sources to sell to the Puerto Rico Electric Power Authority, under a power purchase and operating agreement.**

As an attachment to this communication you may find the Certificate issued by the Commission for such purposes.

Sincerely,

Vanessa I. Acarón Toro, P.E.  
Director  
Planning and Engineering Office

## CERTIFICATION ELECTRIC SERVICE PROVIDER

I, **VANESSA I. ACARÓN TORO**, Director of the Planning and Engineering Office of the Puerto Rico Energy Commission,

**CERTIFY:** That, after evaluating the Request for Certification presented by **Oriana Energy LLC** to provide the service of **electric power generation by means of renewable energy sources to sell to the Puerto Rico Electric Power Authority, under a power purchase and operating agreement**, pursuant to the provisions of Regulation 8701, Amendment of Regulation 8618, on Certification, Annual Fees, and Operational Plans for Electric Service Providers in Puerto Rico, it is complete and meets the requirements established by the Puerto Rico Energy Commission to provide the aforementioned services.

**Certification Number:** CEPR-CT-2016-0019

**IN WITNESS THEREOF**, I sign this and affix the seal of the Puerto Rico Energy Commission, in the city of San Juan, Puerto Rico, today, **December 27, 2016**.

**VANESSA I. ACARÓN TORO, P.E.**  
Director  
Planning and Engineering Office
