PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

**IN RE: HIGHLY EFFICIENT FOSSIL
GENERATION DEFINITION**

CASE NO.: CEPR-MI-2016-0001

SUBJECT: Resolution extending period for public comments.

RESOLUTION

On August 30, 2018, the Puerto Rico Energy Bureau (“Energy Bureau”) issued a Resolution in the instant case proposing a new definition for the term “Highly Efficient Fossil Generation”, in accordance with Section 6B of Act 83 of May 2, 1941¹ and Article 6.29 of Act 57-2014.² The Energy Bureau invited all interested parties to submit their written comments regarding the proposed definition, on or before September 28, 2018. To this date, the Energy Bureau has not received any comments regarding the proposed definition.

In order to provide interested parties with further opportunity to submit inputs regarding the proposed definition, the Energy Bureau hereby extends the period for public comments until November 26, 2018. All comments must be presented via email (comentarios@energia.pr.gov), through regular mail (World Plaza, 268 Muñoz Rivera Ave, Plaza Level Suite 202, San Juan P.R. 00918) or in person, at the Energy Bureau Clerk’s Office located at the aforementioned address.

Be it published.
