SUBJECT: Petition for confidential treatment of information.

RESOLUTION

On April 1, 2019, Sunnova Energy Corporation ("Sunnova") filed a motion titled "Motion to Request Confidential Treatment of Operational Report Annexes and to Extent Payment of Filing Fees" before the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau"). As part of its filing, Sunnova submitted its operational report annexes and requested such documents and information of sensitive nature¹ be kept confidential, pursuant to Section 6.15 of Act 57-2014² and Section 1.15 of Regulation No. 8701.³ On April 2, 2019, Sunnova made the payment of the filing fees by electronic transfer.

Act 57-2014 establishes that any person having the obligation to submit information to the Energy Bureau, can request privilege or confidential treatment to any information that the party submitting understands deserves such protection.⁴ Specifically, Act 57-2014 requires the Energy Bureau to grant confidential treatment to the submitted information provided that "the Energy Bureau, after the appropriate evaluation, believes such information should be protected".⁵ In such case, the Energy Bureau "shall grant such protection in a manner that least affects the public interest, transparency, and the rights of the parties involved in the administrative procedure in which the allegedly confidential document is submitted."⁶

¹ See Operational Report Annexes, Year 2019.

² Known as the *Puerto Rico Energy and Transformation and RELIEF Act*, as amended.

Upon examining Sunnova arguments, the Energy Bureau **GRANTS** confidential designation and treatment for the filed documents⁷ in accordance with the provisions of Article 6.15 of Act 57-2014.

Any party affected by this determination may file a motion for reconsideration of this Resolution before the Puerto Rico Energy Bureau pursuant to Section 11.01 of Regulation 8543, and the applicable provisions of Act 38-2017, known as the Uniform Administrative Procedures Act of the Government of Puerto Rico ("UAPA"). The affected party shall file its motion for reconsideration within the term of twenty (20) days from the date of the filing of this Resolution. Such request must be presented to the Bureau Clerk's Office, located at World Plaza Building, 268 Ave. Muñoz Rivera, Level Ste. 202, San Juan, P.R. 00918.

The Energy Bureau shall consider said motion within fifteen (15) days of its filing. Should the Energy Bureau reject it forthright or fail to act upon it within fifteen (15) days, the term to request review shall recommence from the date of notice of such denial, or from the expiration of the fifteen (15) day term, as the case may be. If a determination is made in its consideration, the term to petition for review shall commence from the date when a copy of the notice of the Energy Bureau's resolution definitively resolving the motion to reconsider is filed in the record of the case. Such resolution shall be issued and filed in the record of the case within ninety (90) days after the motion to reconsider has been filed. If the Energy Bureau accepts the motion to reconsider but fails to take any action with respect to said motion within ninety (90) days of its filing, it shall lose jurisdiction on said motion and the term to file judicial review shall commence upon the expiration of said ninety (90)-day term, unless the Energy Bureau, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

In the alternative, any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date the copy of the notice of this Resolution was filed in the record of the Energy Bureau. The aforementioned pursuant to Section 11.03 of Regulation 8543, and the applicable dispositions of the UAPA and the Court of Appeals Regulation.
