IN RE: PUERTO RICO ELECTRIC POWER
AUTHORITY RATE REVIEW

CASE NO.: CEPR-AP-2015-0001; NEPR-AP-
2018-0003

SUBJECT: Tariff Book Approval.

RESOLUTION AND ORDER

On May 17, 2019, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("May 17 Resolution and Order") through which it determined that the Puerto Rico Electric Power Authority ("PREPA") complied with the April 25, 2019 Resolution and Order ("April 25 Resolution and Order") regarding several modifications to PREPA's proposed Tariff Book. On the May 17 Resolution and Order, the Energy Bureau also ordered PREPA to make additional changes to the proposed Tariff Book in accordance with the directives set forth therein.

In compliance with the May 17 Resolution and Order, on May 22, 2019, PREPA filed a document titled *Moción en Cumplimiento de Orden* ("May 22 Motion"). Attached to the May 22 Motion, PREPA submitted an updated version of the proposed Tariff Book, adopting all changes ordered in the May 17 Resolution and Order. PREPA also included a Spanish version of the proposed Tariff Book for Energy Bureau approval.

After reviewing the May 22 Motion and its attachments, the Energy Bureau **DETERMINES** that PREPA complied with the May 17 Resolution and Order regarding the modifications to the Tariff Book. Therefore, the Energy Bureau **APPROVES** the Spanish and English versions of the Tariff Book, as filed with the May 22 Motion. PREPA is **ORDERED** to, within five (5) days of the notification of this Resolution and Order, publish both versions of the Tariff Book in its web page and to notify its customers of such fact, within forty-five (45) days of the notification of this Resolution and Order, using any means available.

For the benefit of all parties involved, the Energy Bureau publishes this Resolution and Order in both Spanish and English. Should any discrepancy arise between these two (2) versions, the provisions of the English version shall prevail.

Be it notified and published.
