The Puerto Rico Electric Power Authority ("PREPA") hereby respectfully submits to the Puerto Rico Energy Bureau (the "Energy Bureau") PREPA's Cover Filing for Responses to Energy Bureau 2nd Set of ROIs and Confidentiality Designations, and Motion for More Time on Certain Items. This filing relates to the Energy Bureau's "2nd Requirement of Information [ROIs] to PREPA" issued on July 18, 2019. The Energy Bureau's 2nd set of ROIs originally set a due date of August 5, 2019, for PREPA's responses to these ROIs, but the Energy Bureau's Resolution and Order of July 31, 2019, extended the due date to August 8, 2019, at 12:00 p.m. PREPA also separately is filing its related Motion for Confidential Treatment of Portions of Its Responses to ROIs.

Responses

The Energy Bureau's 2nd Set of ROIs includes 27 ROIS plus numerous subparts. PREPA's responses are too voluminous to file in hard copy and therefore are being provided on a USB drive.

PREPA acknowledges that the Energy Bureau has indicated that motions for more time generally should be filed at least one day in advance of a due date. PREPA has been working to try to assemble a complete set of responses by today, and only determined this morning that it would need to request more time for certain items.
