**RESOLUTION**

On May 16, 2019, SUNEDISON Puerto Rico, LLC, ("SunEdison") filed a motion titled "Motion in Compliance with Order Dated May 6, 2019 and Requesting Confidential Treatment of Operational Report Annexes and of Financial Information" before the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau"). As part of its filing, SunEdison submitted its 2019 Operational Report Annexes<sup>1</sup> and requested that such documents and information be kept confidential, under Section 6.15 of Act 57-2014<sup>2</sup> and Section 1.15 of Regulation No. 8701.<sup>3</sup>

Act No. 57-2014 establishes that any person having the obligation to submit information to the Energy Bureau, can request privilege or confidential treatment to any information that the party submitting understands deserves such protection.<sup>4</sup> Specifically, Act 57-2014 requires the Energy Bureau to confidentially treat the submitted information provided that "the Energy Bureau, after the appropriate evaluation, believes such information should be protected".<sup>5</sup> In such case the Energy Bureau "shall grant such protection in a manner that least affects the public interest, transparency, and the rights of the parties involved in the administrative procedure in which the allegedly confidential document is submitted."<sup>6</sup>

<sup>1</sup> See 2019 Operational Report Annexes.

<sup>2</sup> Known as the *Puerto Rico Energy and Transformation and RELIEF Act*, as amended.

Upon examining SunEdison arguments, the Energy Bureau **GRANTS** confidentiality designation and treatment for the filed documents<sup>7</sup> under Article 6.15 of Act 57-2014.

Any party affected by this determination may move for reconsideration of this Resolution before the Puerto Rico Energy Bureau under Section 11.01 of Regulation 8543, and Act 38-2017, known as the Uniform Administrative Procedures Act of the Government of Puerto Rico ("UAPA"). The affected party shall move for reconsideration within the term of twenty (20) days from filing this Resolution. Such request must be presented to the Bureau Clerk's Office at World Plaza Building, 268 Ave. Muñoz Rivera, Plaza Level Ste. 202, San Juan, P.R. 00918 or electronically in the Energy Bureau's digital platform at <https://radicacion.energia.pr.gov/>.

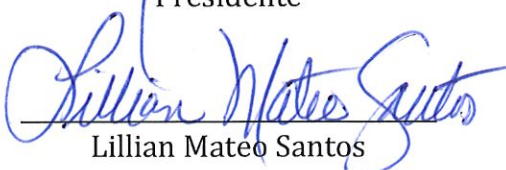

The Energy Bureau shall consider said motion within fifteen (15) days of its filing. Should the Energy Bureau reject it forthright or fail to act upon it within fifteen (15) days, the term to request review shall recommence from notice of such denial, or from the expiration of the fifteen (15)-day term. If a determination is made in its consideration, the term to petition for review shall commence from the date when a copy of the notice of the Energy Bureau's resolution definitively resolving the motion to reconsider is filed in the record. Such resolution shall be issued and filed in the record within ninety (90) days after the motion to reconsider has been filed. If the Bureau accepts the motion to reconsider but takes no action regarding the motion within ninety (90) days of its filing, it shall lose jurisdiction on the motion and the term to file judicial review shall commence upon the expiration of the ninety (90)-day term, unless the Energy Bureau, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

Any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date the copy of the notice of this Resolution was filed in the record of the Energy Bureau.
