

GOVERNMENT OF PUERTO RICO  
PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU

IN RE: REVIEW OF THE PUERTO RICO  
ELECTRIC POWER AUTHORITY  
INTEGRATED RESOURCE PLAN

CASE NO.: CEPR-AP-2018-0001

SUBJECT: Caribe GE International Energy  
Services, Corp. Motion for Reconsideration.

**RESOLUTION**

On August 6, 2019, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution in the instant case which granted Caribe GE International Services, Corp. ("Caribe GE") until August 8, 2019 to retain separate legal separation and notify such representation before the Energy Bureau.<sup>1</sup> On August 8, 2019, Caribe GE filed before the Energy Bureau a document titled *Motion for Reconsideration* ("Motion"). Through its Motion, Caribe GE argues that its interests in the instant case are "certainly different, but they are neither adverse nor potentially adverse" to the interests outlined by SESA-PR. Furthermore, Caribe GE concludes that there exists no conflict in sharing legal representation with SESA-PR.

Upon review of Caribe GE's Motion, the Energy Bureau **DETERMINES** that Caribe GE meets the requirements set forth in Regulation No. 8543<sup>2</sup> and Sections 3.5 and 3.6 of Act 38-2017.<sup>3</sup> Therefore, the Energy Bureau **GRANTS** Caribe GE's petition to intervene in the instant case. Notwithstanding the above, the Energy Bureau **WARNS** Caribe GE that if any adverse conflict arises between Caribe GE and SESA-PR that requires the resignation of its legal representation, the proceedings in the instant case **will not be delayed**.

Any party affected by this determination may move for reconsideration of this Resolution before the Puerto Rico Energy Bureau under Section 11.01 of Regulation 8543, and Act 38-2017. The affected party shall move for reconsideration within the term of twenty (20) days from filing this Resolution. Such request must be presented to the Bureau Clerk's Office, at World Plaza Building, 268 Ave. Muñoz Rivera, Level Ste. 202, San Juan, P.R. 00918, or electronically in the Energy Bureau's digital platform at <https://radicacion.energia.pr.gov/>.

<sup>1</sup> Caribe GE shared the same legal representation as the Solar & Energy Storage Association of Puerto Rico ("SESA-PR").

<sup>2</sup> *Regulation on Adjudicative, Notice of Noncompliance, Rate Review and Investigation Procedures*, December 18, 2014.

<sup>3</sup> Known as *Uniform Administrative Procedures Act of the Government of Puerto Rico*, as amended.

The Energy Bureau shall consider said motion within fifteen (15) days of its filing. Should the Energy Bureau reject it forthright or fail to act upon it within fifteen (15) days, the term to request review shall recommence from notice of such denial, or from the expiration of the fifteen (15)-day term. If a determination is made in its consideration, the term to petition for review shall commence from the date when a copy of the notice of the Energy Bureau's resolution definitively resolving the motion to reconsider is filed in the record. Such resolution shall be issued and filed in the record within ninety (90) days after the motion to reconsider has been filed. If the Energy Bureau accepts the motion to reconsider but takes no action regarding the motion within ninety (90) days of its filing, it shall lose jurisdiction on the motion and the term to file judicial review shall commence upon the expiration of the ninety (90)-day term, unless the Energy Bureau, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

Any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date the copy of the notice of this Resolution was filed in the record of the Energy Bureau. Under Section 11.03 of Regulation 8543, and Act 38-2017 and the Court of Appeals Regulation.

Be it published and notified.

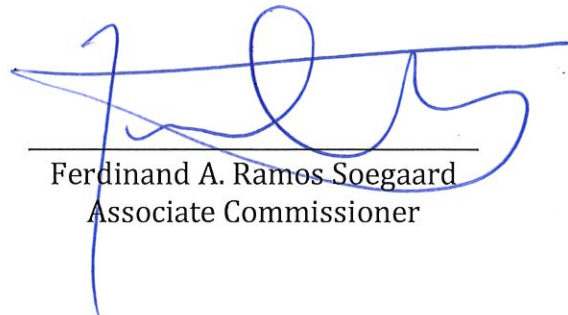

Edison Avilés Deliz
