

**GOVERNMENT OF PUERTO RICO
PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: REVIEW OF THE PUERTO RICO
ELECTRIC POWER AUTHORITY
INTEGRATED RESOURCE PLAN

CASE NO.: CEPR-AP-2018-0001

SUBJECT: Solar & Energy Storage
Association of Puerto Rico Motion for
Reconsideration.

RESOLUTION

On August 6, 2019, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution in the instant case which granted the Solar & Energy Storage Association of Puerto Rico ("SESA-PR") until August 8, 2019 to retain separate legal representation and notify such representation before the Energy Bureau.¹ On August 8, 2019, SESA-PR filed before the Energy Bureau a document titled *Motion for Reconsideration* ("Motion"). Through its Motion, SESA-PR argues that its interests in the instant case are "certainly different, but they are neither adverse nor potentially adverse" to the interests outlined by Caribe GE. Furthermore, SESA-PR concludes that there exists no conflict in sharing legal representation with Caribe GE.

Upon review of SESA-PR's Motion, the Energy Bureau **DETERMINES** that SESA-PR meets the requirements set forth in Regulation No. 8543² and Sections 3.5 and 3.6 of Act 38-2017.³ Therefore, the Energy Bureau **GRANTS** SESA-PR's petition to intervene in the instant case. Notwithstanding the above, the Energy Bureau **WARNS** SESA-PR that if any adverse conflict arises between SESA-PR and Caribe GE that requires the resignation of its legal representation, the proceedings in the instant case **will not be delayed**.

Any party affected by this determination may move for reconsideration of this Resolution before the Puerto Rico Energy Bureau under Section 11.01 of Regulation 8543, and Act 38-2017. The affected party shall move for reconsideration within the term of twenty (20) days from filing this Resolution. Such request must be presented to the Bureau Clerk's Office, at World Plaza Building, 268 Ave. Muñoz Rivera, Level Ste. 202, San Juan, P.R. 00918, or electronically in the Energy Bureau's digital platform at <https://radicacion.energia.pr.gov/>.

¹ SESA-PR shared the same legal representation as Caribe GE International Energy Services, Corp. ("Caribe GE").

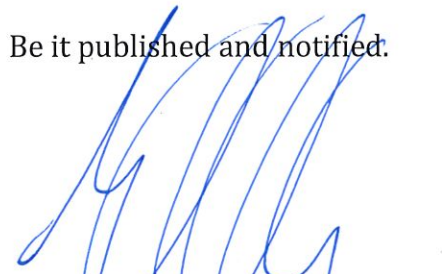

² *Regulation on Adjudicative, Notice of Noncompliance, Rate Review and Investigation Procedures*, December 18, 2014.

³ *Uniform Administrative Procedures Act of the Government of Puerto Rico*, as amended.

The Energy Bureau shall consider said motion within fifteen (15) days of its filing. Should the Energy Bureau reject it forthright or fail to act upon it within fifteen (15) days, the term to request review shall recommence from notice of such denial, or from the expiration of the fifteen (15)-day term. If a determination is made in its consideration, the term to petition for review shall commence from the date when a copy of the notice of the Energy Bureau's resolution definitively resolving the motion to reconsider is filed in the record. Such resolution shall be issued and filed in the record within ninety (90) days after the motion to reconsider has been filed. If the Energy Bureau accepts the motion to reconsider but takes no action regarding the motion within ninety (90) days of its filing, it shall lose jurisdiction on the motion and the term to file judicial review shall commence upon the expiration of the ninety (90)-day term, unless the Energy Bureau, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.

Any affected party may file a petition for review before the Court of Appeals within a term of thirty (30) days from the date the copy of the notice of this Resolution was filed in the record of the Energy Bureau. Under Section 11.03 of Regulation 8543, and Act 38-2017 and the Court of Appeals Regulation.

Be it published and notified.
