IN RE:

**PUERTO RICO ELECTRIC POWER
AUTHORITY RATE REVIEW**

CASE NO.:

CEPR-AP-2015-0001; NEPR-AP-2018-0003

SUBJECT:

Resolution and Order dated
October 7, 2019

MOTION TO STAY PAYMENT OF FINE

TO THE PUERTO RICO ENERGY BUREAU:

COMES NOW the Puerto Rico Electric Power Authority through the undersigned legal representation and respectfully sets forth and pray:

I. INTRODUCTION

1. On October 7, 2019, the Puerto Rico Energy Bureau of the Public Service Regulatory Board (the “Energy Bureau”) entered a *Resolution and Order* (the “Fine Order”) in which, among other determinations, the Energy Bureau imposed “a one-time fine in the amount of five thousand dollars (\$5,000) based on [Puerto Rico Electric Power Authority (PREPA)]’s late filings and noncompliance with the information required to be submitted as part of the quarterly filings.” *See* Fine Order, ¶ II, p. 3.

2. The Fine Order states that PREPA is ordered to pay the five thousand dollars (\$5,000) fine with the Energy Bureau’s Clerk within fifteen (15) days of the issuance of the Fine Order. Therefore, the payment of the fine is due on October 22, 2019. *See* *Id.* at p. 3.

3. On October 21, 2019, PREPA submitted a Motion for Reconsideration of Fine in which it respectfully submits to the Energy Bureau that the imposition of the five thousand dollars

(\$5,000)'s fine is unwarranted and, as such, requests the Energy Bureau that it reconsider its imposition and that the fine be set aside.

4. PREPA moves the Energy Bureau to hold in abeyance the payment of the fine until it issues a final Resolution and Order resolving the Motion for Reconsideration of Fine.

WHEREFORE, PREPA respectfully requests the Energy Bureau to stay the Fine Order for payment of the five thousand dollars (\$5,000) fine until the Motion of Reconsideration of Fine is resolved.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 22nd day of October 2019.
