Such resolution shall be issued and filed in the record within ninety (90) days after the motion to reconsider has been filed. If the Energy Bureau accepts the motion to reconsider but takes no action regarding said motion within ninety (90) days of its filing, it shall lose jurisdiction on the motion and the term to file judicial review shall commence upon the expiration of the ninety (90)-day term, unless the Energy Bureau, for just cause and within those ninety (90) days, extends the term to resolve for a period that shall not exceed thirty (30) days.
