PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU

IN RE: REVIEW OF THE PUERTO RICO
ELECTRIC POWER AUTHORITY
INTEGRATED RESOURCE PLAN

CASE NO.: CEPR-AP-2018-0001

SUBJECT: PREPA's position towards
petition requesting amendment to Non-
Disclosure Agreement (NDA)

ORDER

On November 20, 2019, the Local Environmental Organizations¹ ("LEO") filed before the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") a motion titled *Petition Requesting Amendment to Non-Disclosure Agreement (NDA)*, on November 22, 2019, the Puerto Rico Electric Power Authority ("PREPA") filed before the Energy Bureau a motion titled *Notice of Intent to File Opposition to the LEOs Motion and Request for Leave to File on or Before December 6, 2019*. In summary, the LEO alleges that the NDA should be modified because it is unnecessarily broad and contrary to the Energy Bureau's Resolution on Confidentiality in Case No. CEPR-2016-0009². The LEO believe the NDA should apply to specific information, labelled "Validated Confidential Information". LEO also alleges that the NDA should be modified to indicate that a party's signature of an NDA does not necessarily imply the loss of the right to question a confidentiality determination and should allow the parties to allow their expert witnesses to sign as well and review confidential material.

For the Energy Bureau to evaluate the LEO request, PREPA is **ORDERED** to submit its position regarding the motion submitted by the Local Environmental Organization by the **next ten (10) days** after the notification of this Resolution and Order.

Be it notified and published.
