CASE NO. CEPR-AP-2018-0001

SUBJECT: MOTION SEEKING
EXTENSION TO BRIEFING
SCHEDULE

**MOTION BY LOCAL ENVIRONMENTAL ORGANIZATIONS SEEKING
ONE-WEEK EXTENSION TO BRIEFING SCHEDULE**

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

1. Currently, the parties' briefs are due February 21st and reply briefs due March 2nd. On January 17th, the Bureau issued an order that substantially increased the level of public participation in this process, by scheduling additional public hearings across the island on February 13th (Arecibo), 19th (Humacao), 22nd (Mayagüez), and 25th (Ponce). Local Environmental Organizations commend and fully support the Bureau's decision to hear from Puerto Ricans across the island through these hearings.
2. We ask for a one week extension to the briefing schedule: so briefs would be due on February 28th, after the conclusion of all public hearings, and reply briefs would be due March 9th. This would allow the Bureau to devote full attention to the public hearings at Mayagüez and Ponce. It would also allow the parties to incorporate facts and issues raised at these hearings into their briefs.

3. For these reasons, Local Environmental Organizations respectfully request a Bureau order extending the deadline for submission of briefs to February 28th, and extending the deadline for submission of reply briefs to March 9th.

In San Juan, Puerto Rico, on this day, February 10, 2020.

Respectfully submitted,

s/ Pedro Saadé
