IN RE: REQUEST FOR PROPOSALS FOR
TEMPORARY EMERGENCY
GENERATION

CASE NO. NEPR-AP-2020-0001

SUBJECT: TECHNICAL
CONFERENCE PARTICIPATION

**PETITIONERS' MOTION TO REQUEST PARTICIPATION AT THE
TECHNICAL CONFERENCE MEETING**

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

COME NOW, Comité Diálogo Ambiental, Inc., El Puente de Williamsburg, Inc. - Enlace Latino de Acción Climática, Comité Yabucoño Pro-Calidad de Vida, Inc., Alianza Comunitaria Ambientalista del Sureste, Inc., Sierra Club and its Puerto Rico chapter, Mayagüezanos por la Salud y el Ambiente, Inc., Coalición de Organizaciones Anti-Incineración, Inc., Amigos del Río Guaynabo, Inc., Campamento Contra las Cenizas en Peñuelas, Inc., CAMBIO Puerto Rico, and Unión de Trabajadores de la Industria Eléctrica y Riego (collectively, "Petitioners"), to request that the Energy Bureau grant Petitioners participation in the Technical Conference meeting that will take place on June 29, 2020 at 2:00 p.m.

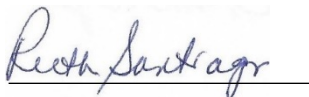

On June 23, 2020, the Energy Bureau issued a Resolution and Order in which it ordered PREPA to attend a Technical Conference meeting to discuss

demand response as ordered in the May 22 Resolution¹. Petitioners appreciate the Energy Bureau's attention to PREPA's demand response options. Demand response is a cost-effective option to reduce peak demand, and reduce dependency on costly imported fossil fuels.

On April 27, the Energy Bureau granted Petitioners the right to participate, to some extent, in the proceeding. The Energy Bureau later ruled that this included the right to attend technical conference calls. In order to continue to provide the Energy Bureau with information and assist in this proceeding, Petitioners and interested members of the public must be allowed to attend the upcoming June 29th technical conference call as well.

Wherefore, the Petitioners respectfully requests the Energy Bureau to provide the dial-in information for the Technical Conference meeting.

Respectfully submitted, on this day June 26, 2020.
