ORIANA ENERGY, LLC.

**CASE NO.:** CEPR-CT-2016-0019

**SUBJECT:** Submittal of Operational Report.

**RESOLUTION AND ORDER**

On February 28, 2021, Oriana Energy, LLC (“Oriana”) filed before the Energy Bureau of the Puerto Rico Public Service Regulatory Board (“Energy Bureau”) its Operational Report for year 2021, pursuant to Section 2.02(A) of Regulation 8701.<sup>1</sup>

Section 2.02(E) of Regulation 8701 establishes that “[e]lectric service companies shall refer their Operational Report to the [Energy Public Policy Program “EPPP”] for review and comments before submitting it to the [Energy Bureau]. In submitting their Operational Reports before the [Energy Bureau], electric service companies shall indicate whether they referred it to the [EPPP] for review and comments.” Section 2.02(E) of Regulation 8701 establishes that “[i]n cases where electric service companies have not referred their Operational Report to the [EPPP] prior to filing it before the [Energy Bureau], the electric service companies shall explain the reasons that justify not having made said referral.”

Section 2.03 of Regulation 8701 establishes the fees that any electric service company shall pay the Energy Bureau when submitting certain forms, documents, or information, such as the Operational Report.

As part of its Operational Report, Oriana stated it was referred to the EPPP. However, upon review of the administrative file, there was no evidence of such referral. Oriana did not submit the fee associated to the submittal of the Operational Report before the Energy Bureau, as required by Section 2.03 of Regulation 8701.

The Energy Bureau **ORDERS** Oriana to, **within five (5) days of the notification of this Resolution and Order**, (i) submit evidence of the referral of the Operational Report before the EPPP; and (ii) submit payment of the corresponding fee for the presentation of the Operational Report, including evidence of such payment. Until Oriana satisfies the payment of the presentation fee set forth in Regulation 8701, the Operational Report shall be deemed not filed.
