Hi,

I'm hereby submitting the following comments in regards to Case No. NEPR-MI-2020-0012 :

- Alten Energy supports the release of the Tranche 2 of the RFP on September 20, 2021
- Alten Energy encourages that all submitted projects in the RFP include a pre-selected Point of Interconnection
- Alten Energy proposes that utility-scale projects can start at 10 MW
- Alten Energy proposes that PREPA increases the number of Virtual Power Plants that is been pursued

Thanks for your consideration.

Re,

Jean David
