IN RE: IN RE: PUERTO RICO ELECTRIC POWER AUTHORITY PERMANENT RATE	CASE NO. NEPR-MI-2020-0001 SUBJECT: Informative Motion
--	---

INFORMATIVE MOTION

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

COMES now **LUMA Energy ServCo, LLC** (“ServCo”), (“LUMA”), and respectfully state and request the following:

1. LUMA’s duties over system regulatory matters pursuant to Section 5.6 of the Puerto Rico Transmission and Distribution Operation and Maintenance Agreement (“T&D OMA”) as supplemented by the Puerto Rico Transmission and Distribution System Supplemental Terms Agreement, include preparation of the required reconciliations for the Fuel Clause Adjustment (“FCA”) and Purchased Power Clause Adjustment (“PPCA”) riders.

2. To keep the Energy Bureau informed of the results of the calculations on the reconciliation of the Puerto Rico Electric Power Authority’s (“PREPA”) fuel purchase and the purchased power costs for the month of January 2022, LUMA hereby states that for the month of January 2022, PREPA’s Fuel Costs, and the prior period adjustments –FCA– were \$218,747,287.94 and revenues totaled \$191,010,135.41. There was a revenue insufficiency of \$27,737,152.53.

3. For the month of January 2022, the Purchased Power Costs and the prior period adjustments –PPCA–, were \$42,095,781.37 and revenues totaled \$46,784,917.63. There was an excess revenue of \$4,689,136.26.

4. LUMA does not own or operate generation facilities, nor does it purchase any fuel for generation. LUMA’s costs of operations are not included in the FCA and PPCA riders. The tariff book requires the calculation of the riders to assure the pass-through of costs for fuel used in generation by PREPA and the power purchased from private generators by PREPA, is performed in line with regulation, without any markup, profit, or additional charges that would benefit PREPA (or LUMA).

WHEREFORE, LUMA respectfully requests that the Energy Bureau **take notice** of the aforementioned.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 14th day of February 2022.

I hereby certify that I filed this Motion using the electronic filing system of this Energy Bureau.
