IN RE: REVIEW OF LUMA’S MODEL BILL

**CASE NO. NEPR-MI-2021-0008**

SUBJECT: Notice of LUMA Bill Implementation

**NOTICE OF LUMA BILL IMPLEMENTATION**

**TO THE HONORABLE PUERTO RICO ENERGY BUREAU:**

COME NOW LUMA Energy, LLC<sup>1</sup>, and LUMA Energy ServCo, LLC<sup>2</sup>, (jointly referred to as “LUMA”), and respectfully submit and request the following:

On November 16, 2021, this honorable Puerto Rico Energy Bureau (“Energy Bureau”) issued a Resolution and Order approving LUMA’s Model Bill as submitted to the Energy Bureau on September 29, 2021 (the “September 29<sup>th</sup> Model Bill”).

On January 28, 2022, LUMA filed with the Energy Bureau a *Petition to Request Approval of Minor Revisions to Approved LUMA’s Model Bill* requesting the Energy Bureau to approve an updated version of the September 29<sup>th</sup> Model Bill which incorporated minor revisions to the September 29<sup>th</sup> Model Bill (the “January 28<sup>th</sup> Model Bill”).

On February 11, 2022, the Energy Bureau issued a Resolution and Order (the “February 11<sup>th</sup> Resolution”) approving the January 28<sup>th</sup> Model Bill (“Approved LUMA Bill”). In the February 11<sup>th</sup> Resolution, the Energy Bureau, among others, ordered LUMA to inform the Energy Bureau

---

<sup>1</sup> Register No. 439372.

<sup>2</sup> Register No. 439373.

of the date of implementation of the Approved LUMA Bill within fifteen (15) days following such implementation. *See* February 11<sup>th</sup> Resolution at page 3.

On March 2, 2022, LUMA informed this Energy Bureau that it was ready to issue the Approved LUMA Bill on March 4, 2022 and requested approval for proceeding with its launch despite a recently detected minor data issue affecting a small percentage of bills which would be promptly corrected, among others. *See* LUMA's *Urgent Notice of Minor Data Issue Related to Launch of Approved Model Bill* of that date ("March 2 Notice").

By Resolution and Order issued on March 3, 2022, the Energy Bureau authorized LUMA to continue with the launch of the Approved LUMA Bill as proposed in the March 2 Notice.

In compliance with the February 11<sup>th</sup> Resolution, LUMA hereby notifies the Energy Bureau that LUMA commenced the implementation of the Approved LUMA Bill on March 4, 2022.

**WHEREFORE**, LUMA respectfully requests that the Energy Bureau **take notice** of the notice above and deem LUMA in compliance with the requirement to notify the Energy Bureau of the implementation of LUMA's Approved Model Bill in the Energy Bureau's Resolution and Order of February 11, 2022.

**RESPECTFULLY SUBMITTED.**

In San Juan, Puerto Rico, this 10th day of March 2022.

I hereby certify that I filed this Petition using the electronic filing system of this Energy Bureau and that I will send an electronic copy of this Petition to the attorneys for **PREPA**, Joannely Marrero-Cruz, jmarrero@diazvaz.law; and Katiuska Bolaños-Lugo, kbolanos@diazvaz.law. Notice will also be sent to the **Independent Consumer Protection Office**, Lcda. Hannia Rivera Diaz, hrivera@jrsp.pr.gov.
