

**GOVERNMENT OF PUERTO RICO
PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: PERFORMANCE TARGETS FOR
LUMA ENERGY SERVCO, LLC

CASE NO.: NEPR-AP-2020-0025

SUBJECT: LUMA's April 27 and May 3, 2022,
request for extension on Mr. Lee Wood
rebuttal testimony.

RESOLUTION AND ORDER

On January 14, 2022, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("January 15 Resolution"), in which amended the procedural calendar of the instant case ("Procedural Calendar"). The Procedural Calendar included filing rebuttal to Intervenor's Supplemental writing testimony on April 27, 2022.

On April 27, 2022, LUMA¹ filed a document titled *LUMA's Motion Submitting Supplemental Rebuttal Testimonies and Urgent Request for an Extension of Time to File Rebuttal Testimony of Witness Lee Wood* ("April 27 Motion"). In the April 27 Motion, LUMA requested, among others, to extend the deadline to file the supplemental rebuttal testimony of witness Lee Wood until May 4, 2022.² LUMA stated that their witness Mr. Lee Wood had an unexpected family emergency outside the jurisdiction of Puerto Rico which made it unattainable for him to finalize his testimony by the April 27, 2022, deadline.³

On May 3, 2022, LUMA filed a document titled *LUMA's Urgent Request for an Additional Extension of Time to File Rebuttal Testimony of Witness Lee Wood* ("May 3 Request"). Through the May 3 Request, LUMA informs that witness Wood continues to attend the family emergency which has impeded him from completing his rebuttal testimony.⁴ LUMA requests an additional extension until May 11, 2022.⁵

After reviewing LUMA's arguments, the Energy Bureau **GRANTS** the requested extension and **ORDERS** LUMA to file Mr. Lee Wood's rebuttal testimony on or before 5:00 p.m. on May 11, 2022.

Be it notified and published.
