MOTION REQUESTING CLARIFICATION OF THE NEXT DEADLINE

To the Honorable Energy Bureau:

Now comes Instituto de Competitividad y Sostenibilidad Económica de Puerto Rico (ICSE) represented by appearing counsel and respectfully requests:

On October 12, 2022, this Honorable Bureau entered a Resolution and Order requesting stakeholder participation, particularly, their answers to Appendix A of said Resolution and Order. However, we noticed that there are *two* deadlines to submit stakeholders' answers. The first page reads "Responses to all requests for information are required by Friday, October **28**, 2022"; while the sixth and seventh pages establish the due date to be on October **26**, 2022. It is our impression that this inconsistency is a mere typo. Nonetheless, it could be read as if the October 28, 2022 date is LUMA's deadline and the October 26, 2022 is the stakeholders' deadline.

WHEREFORE, it is respectfully requested that the PREB clarify which date is the correct one or if there are two distinct deadlines, so that ICSE and all stakeholders may comment within the correct deadline.

CERTIFY: I hereby certify that, on this same date, we have filed this motion and notified by electronic mail to: info@sesapr.org; elevin@veic.org;

RESPECTFULLY SUBMITTED October 10, 2022, in San Juan, Puerto Rico.
