IN RE: INTERRUPCIÓN DE SERVICIO
ELÉCTRICO DE 12 DE JULIO DE 2022

CASE NO. NEPR-IN-2022-0003

SUBJECT:

**Request for a Brief Extension of Time to
Comply with Resolution and Order of July
13th, 2022**

**REQUEST FOR A BRIEF EXTENSION OF TIME TO COMPLY WITH JULY 13TH
RESOLUTION AND ORDER ON JULY 12TH INCIDENT INVESTIGATION**

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

COME now LUMA Energy, LLC (“ManagementCo”), and LUMA Energy ServCo, LLC (“ServCo”), (jointly referred to as the “Operator” or “LUMA”), and respectfully state and request the following:

1. On July 12th 2022, a failure in the electric system led to a fire at the 115KV/4KV Jayuya Substation, which resulted in a power outage in the municipality of Jayuya (hereinafter, the “July 12th Incident”).

2. On July 13th 2022, this Honorable Puerto Rico Energy Bureau (“Energy Bureau”) issued a Resolution and Order whereby it initiated a confidential investigation of the July 12th Incident (“July 13th Order”).

3. Among other things, the July 13th Order instructs LUMA to submit on or before July 19th, 2022, at 3:00 p.m., a preliminary report on the causes of the July 12th Incident and the corrective actions taken by LUMA (the “Preliminary Report”).

4. LUMA has been earnestly working to comply with the July 13th Order by the deadline imposed. However, additional analysis and drafting are needed to submit a correct and comprehensive Preliminary Report to aid the Energy Bureau in its investigation. LUMA estimates it will need an additional two days, until July 21, 2022, at the end of the day, to comply with the July 13th Order.

5. LUMA holds in high regard its duty to comply with the orders issued by the Energy Bureau in this and other regulatory and adjudicative proceedings. This request for a short extension of time is submitted in good faith without the intent to delay the proceedings.

WHEREFORE, LUMA respectfully requests that the Energy Bureau **take notice** of the aforementioned and **grant** LUMA until July 21, 2022, at the end of the day, to comply with the July 13th Order.

RESPECTFULLY SUBMITTED.

We hereby certify that we filed this motion using the electronic filing system of this Energy Bureau and that we will send an electronic copy of this motion to the attorney for the Puerto Rico Electric Power Authority, Katuska Bolaños-Lugo, kbolanos@diazvaz.law.

In San Juan, Puerto Rico, this 15th day of July 2022.
