PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** IMPLEMENTATION OF THE  
PUERTO RICO ELECTRIC POWER  
AUTHORITY INTEGRATED RESOURCE  
PLAN AND MODIFIED ACTION PLAN

**CASE NO.:** NEPR-MI-2020-0012

**SUBJECT:** Request for Confidential  
Designation and Treatment

**RESOLUTION**

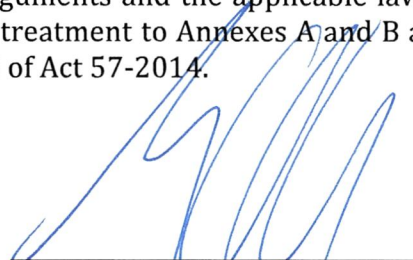

On May 25, 2023, the Puerto Rico Electric Power Authority (“PREPA”) filed before the Energy Bureau of the Puerto Rico Public Service Regulatory Board (“Energy Bureau”) a document titled *Motion to Submit Second Amendments for Two Executed PPOAS* (“May 25 Motion”). As part of its filing, PREPA requested confidential designation and treatment of the documents attached to the May 25 Motion, Annexes A and B.

PREPA alleges that the information in Annexes A and B attached to the May 25 Motion reveal information about a deliberative process, incorporates trade or business secrets considered confidential under applicable law and have been requested by Resource Providers to be maintained in a confidential manner. Therefore, PREPA requests that the information in both Annexes be maintained confidential.

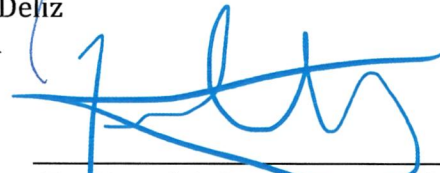

Act 57-2014<sup>1</sup> establishes that any person having the obligation to submit information to the Energy Bureau, can request privilege or confidential treatment to any information that the party submitting understands deserves such protection.<sup>2</sup> Specifically, Act 57-2014 requires the Energy Bureau to treat as confidential the information submitted provided that “the Energy Bureau, after the appropriate evaluation, believes such information should be protected”.<sup>3</sup> In this case, the Energy Bureau “shall grant such protection in a manner that least affects the public interest, transparency, and the rights of the parties involved in the administrative procedure in which the allegedly confidential document is submitted.”<sup>4</sup>

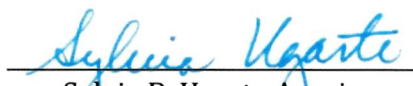

After a review of PREPA’s arguments and the applicable law, the Energy Bureau **GRANTS** confidential designation and treatment to Annexes A and B attached to the May 25 Motion submitted, under Article 6.15 of Act 57-2014.

Be it notified and published.
