

**GOVERNMENT OF PUERTO RICO
PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: PERFORMANCE METRICS TARGETS
FOR LUMA ENERGY SERVCO, LLC.

CASE NO.: NEPR-AP-2020-0025

SUBJECTS: LECO's Urgent Motion for Clarification of Reply Brief Deadline and CIAPR Motion Requesting Extension of Time to File Amicus Brief.

RESOLUTION AND ORDER

On February 1, 2023, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("February 1 Resolution") through which it established the Agenda of the Evidentiary Hearing held from February 7 to February 10, 2023, to evaluate the *Request for Approval of Revised Annex IX to the Puerto Rico Transmission and Distribution System Operation and Maintenance Agreement ("OMA")* filed by LUMA Energy, LLC¹.

On August 25, 2023, LUMA filed a document titled *Motion Requesting Further Extension of Time to File Replies to Final briefs by the Parties*, to request that the Energy Bureau grant an extension of time until September 21, 2023 to submit the replies to the final briefs by the parties.

On September 1, 2023, the Energy Bureau granted LUMA's request to extend the deadline to submit the replies to the final briefs in this proceeding no later than September 21, 2023 ("September 1 Resolution").

On September 6, 2023, the Colegio de Ingenieros de Puerto Rico ("CIAPR") filed a document titled *Motion Requesting Extension of Time to File Amicus Brief*, ("September 6 Request"). In the September 6 Request, the CIAPR mentions that on August 17, 2023 the Energy Bureau issued a Resolution and Order to extend the date to file the final Reply Briefs to September 7, 2023, and that on September 1, 2023 the Energy Bureau extended the deadline until September 21, 2023. Therefore, in order to have the benefit of all the briefs, CIAPR requests an extension of the deadline to submit the amicus final brief to 7 days after the receipt of LUMA's Final Brief, meaning until September 28, 2023.

On September 7, 2023, LECO² filed a document titled "*Local Environmental and Civic Organizations Urgent Motion for Clarification of Reply Brief Deadline*" (LECO's September 7 Request). LECO requested clarification of the September 1 Resolution, regarding if all the parties have until September 21, 2023 to submit their reply to the final briefs.

Upon review of LECO's September 7 Request, the Energy Bureau **CLARIFIES** that all the parties in this proceeding have until **no later than September 21, 2023** to submit their reply to the final briefs. Also, the Energy Bureau **GRANTS** CIAPR's request of extension of time to submit the amicus final brief **until September 28, 2023**.

The Energy Bureau **WARNS all parties** that, noncompliance with any provision of this Resolution and Order, may result in the imposition of fines pursuant to Act 57-2014⁴ and applicable Energy Bureau's regulations and any other appropriate administrative sanctions, as deemed appropriate by the Energy Bureau.

Be it notified and published.
