**CASE NO.:** NEPR-MI-2020-0016

**SUBJECT:** Notice of Withdrawal of  
Attorney of Record

**NOTICE OF WITHDRAWAL OF ATTORNEY OF RECORD**

TO THE HONORABLE PUERTO RICO ENERGY BUREAU:

1. The past few years have represented a significant transformation for the Puerto Rico Electric Power Authority (“PREPA”). Said transformation has included a reorganization process under Title III of PROMESA<sup>1</sup>, the privatization of the operation and maintenance of the Transmission and Distribution system to LUMA Energy and the privatization of the Generation assets to Genera PR, LLC.

2. The transformation has also included a new regulatory framework where, among other things, both the Fiscal Oversight and Management Board (“FOMB”) and the Puerto Rico Energy Bureau (“Energy Bureau”) approve PREPA’s budget<sup>2</sup>, its contracts and ultimately decide how PREPA’s funds are used.

3. At present, the budget approved by both the FOMB and the Energy Bureau for fiscal year 2024 is not sufficient for PREPA to contract the necessary external resources and thus comply with its remaining responsibilities and obligations.

4. Likewise, the above directly affects the relationship between PREPA and its contractors since the government entity does not have the funds to cover the contracts that would allow it to continue representing PREPA in cases before the federal and state courts as well as administrative forums.

5. The Díaz & Vázquez Law Firm P.S.C., (“the firm”) has a professional legal services contract with PREPA. However, said contract does not have sufficient funds to cover the legal representation of PREPA in those matters that are not related to Title III of PROMESA, including legal representation in the case of caption.

6. For this reason, we request that the Energy Bureau accept our withdrawal as legal representatives of PREPA and allow a reasonable period of time, of no less than 60 days for new legal counsel to appear on behalf of PREPA. This time will allow the new representative to provide an informed and responsible representation of PREPA.

7. Any notification related to this case should be directed to the attention of PREPA’s General Counsel:

RESPECTFULLY SUBMITTED
