Re: R&O 20231106 MI-2020-0012

Ladies and Gentlemen:

By this email, we are formally requesting clarification on your resolution and order case number NEPR-MI-2020-0012 dated November 6, 2023.

Regarding the “Restricted Parties” provision, we understand by the resolution that the “Restricted Parties” are to stay restricted only through the RFP Process.

It is also our understanding that once the RFP process has been completed, the “Restricted Parties List” are **unrestricted** from being a part of the team for a proponent, towards the development and execution of the Project.

Please confirm that once an RFP submittal has been awarded, the Proponent is free to engage with any of the Restricted Parties listed.

Thanks in advance for this clarification.

Very truly yours,

Julián Herencia
Executive Director
