**PREPA'S SECOND REQUEST FOR EXTENSION OF TIME TO COMPLY WITH THE
NOVEMBER 3 RESOLUTION AND ORDER**

TO THE PUERTO RICO ENERGY BUREAU:

COMES NOW the Puerto Rico Electric Power Authority ("PREPA") through its undersigned legal counsels and respectfully informs and requests as follows:

1. On November 3, 2023, the Puerto Rico Energy Bureau ("PREB") entered a *Resolution and Order* that ordered PREPA to provide certain information regarding the PREPA FY23 Q4 Report. The PREB granted until November 17, 2023, to submit the information.

2. On November 16, 2023, PREPA requested an extension to comply with the PREB's order. In the said motion, it was informed that the data was gathered and the technical explanation was being prepared but needed more time. Unfortunately, despite the efforts made, completing the requested technical explanation has not been possible. Therefore, PREPA respectfully requests an extension of 15 days to comply with the November 3 Resolution.

3. PREPA apologizes for any inconvenience and informs that it is committed to complying with the November 3 Order as soon as possible. PREPA

will take all the necessary measures to ensure the technical explanation requested is completed within the extension.

4. This second request for extension is made in good faith, for cause, and not with the intent to cause undue delay.

WHEREFORE, it is respectfully requested that the Energy Bureau **GRANT** PREPA's second request for an extension to comply with the November 3 Order.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 30th day of November 2023.
