WHEREAS, the Parties have entered into the Interconnection Agreement, dated as of November 29, 2023 (the “**Agreement**”); and

WHEREAS, the Parties have agreed to amend the Agreement to clarify the original intent of the Parties, as set forth herein.

NOW, THEREFORE, in consideration of the foregoing, the Parties mutually agree as follows:

1. Definitions. Capitalized terms used herein and not otherwise defined herein shall have the meanings given to them in the Agreement.
2. Amendment to the Agreement.

(a) The definitions of “**Estimated Costs**”, “**Fixed and Firm Price for the T&D System Operator’s Interconnection Facilities Works**” and “**Termination Costs**” in Section 1 (*Definitions*) of the Agreement are amended and restated as follows:

“**Estimated Costs**” means the estimated costs for the T&D System Operator’s Interconnection Facilities Works, which includes the estimated costs for the Owner’s Interconnection Facilities Works, the PREPA Interconnection and System Upgrade Cost, and the T&D System Operator’s

In the event the notice to terminate under Section 2.3(a) is provided before Interconnection Customer provides the written authorization under Section 5.4 (c), it shall be deemed that there are no Termination Costs.
