**IN RE:** REQUEST FOR CERTIFICATION  
OF ENEL X ARECIBO, LLC

**SUBJECT:** Request for Certification

**CASE NO:** NEPR-CT-2023-0006

**MOTION TO REQUEST EXTENSION OF TIME**

TO THE HONORABLE ENERGY BUREAU:

COMES NOW, Enel X Arecibo, LLC ("Enel X"), represented by the undersigned legal counsel, and respectfully submits the following:

1. On November 28, 2023, Enel X filed before this Honorable Energy Bureau its request for certification as an electric service company. The filing consisted of the following documents:
  - (i) the Request for Certification form and its corresponding annex, as duly marked in the form;
  - (ii) the Operational Report Form and its corresponding annexes, as duly marked in the form;
  - (iii) the Personal Information Form and its corresponding annexes, as duly marked in the form;
  - (iv) Evidence of payment of the corresponding fees; and a (v) motion to request confidential treatment.
  
2. On December 19, 2023, Enel X filed before this Honorable Energy Bureau an Amended Request for Certification (the "December 19 Filing"). The December 19 Filing consisted of the following documents: (i) a motion to request confidential treatment; (ii) the Amended Request for Certification form and its corresponding annex, as duly marked in the form; (iii) the Personal Information Form and its corresponding annexes, as duly marked in the form; and (iv) Evidence of payment of the corresponding fees.

3. On January 18, 2024, the Honorable Energy Bureau issued a Resolution and Order (“January 18 R&O”) whereby it ordered Enel X to file a redacted version of the documents in which it requested confidentiality treatment and include a table numbering each redaction request and its justification (the “First Order”). Moreover, in Part II of the January 18 R&O, the Honorable Energy Bureau found that Enel X: (i) must clarify whether it shall provide Energy Storage services or otherwise review and amend its Request for Certification; (ii) did not submit all documents required by Sections 3.03(A) and (B) of the Amended Regulation on Certifications, Annual Charges and Operational Plans of Electric Service Companies in Puerto Rico, Regulation No. 8701 (“Regulation 8701”); and (iii) must correct Section A of the Operational Report form and provide an explanation as to why it did not refer the Operational Report to the Energy Public Policy Program of the Department of Economic Development and Commerce or otherwise refer the report. The Bureau ordered Enel X to provide the information and address the findings in Part II of the January 18 R&O within sixty days of its issuance, that is on or before March 18, 2024 (the “Second Order”).
4. On January 29, 2024, Enel X partially complied with the First Order of the January 18 R&O.
5. On March 15, 2024, Enel X requested the Honorable Energy Bureau to submit the documentation required to comply with the Second Order.
6. Enel X respectfully notifies this Honorable Energy Bureau that it is still in the process of actively preparing and compiling the documents and information required to comply with the Second Order the January 18 R&O.
7. In light of the foregoing, and in accordance with Section 5.01 of Regulation 8701, Enel X respectfully petitions this Honorable Energy Bureau to grant an additional fifteen (15) day extension to finalize its documentation and provide the requested information in the Second Order of the January 18 R&O. This additional time is essential to ensure accuracy, completeness, and adherence to regulatory standards of the required filing.

WHEREFORE, Enel X Arecibo, LLC respectfully requests that this Honorable Energy Bureau grant a 15-day extension, until April 16<sup>th</sup>, 2024, to provide the information and address the findings in Part II of the January 18 Resolution and Order.

Respectfully submitted, on this the 1<sup>st</sup> of April of 2024.
