

**GOVERNMENT OF PUERTO RICO  
PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** THE PERFORMANCE OF THE  
PUERTO RICO ELECTRIC POWER  
AUTHORITY

**CASE NO.:** NEPR-MI-2019-0007

**SUBJECT:** Request for Extension of Time to  
Submit Updated Data Template for  
Quarterly Reporting in Response to April  
2024 Quarterly Report.

**RESOLUTION AND ORDER**

On August 9, 2024, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution and Order ("August 9 Order") ordering LUMA<sup>1</sup> to respond, within fourteen (14) calendar days from the notification of the August 9 Order to file its responses to the Requests of Information ("ROIs") included in Attachment A of the August 9 Order.

On August 21, 2024, LUMA filed a document titled *Request for Extension of Time To Comply with Resolution and Order Of August 9, 2024* ("Request") in which LUMA requests additional time, until August 30, 2024, to submit its responses to the ROIs because as a result of the passage near Puerto Rico of Tropical Storm Ernesto on August 13<sup>th</sup> and 14<sup>th</sup>, 2024 LUMA deployed a significant proportion of its workforce to address storm preparation, response and restoration of the electric grid, including personnel in charge of maintaining and compiling data needed to respond to the ROIs. According to LUMA, the additional time requested will allow its personnel to finalize work in LUMA's Emergency Operations Center, return to their non-emergency duties and be in position to finalize the responses to the ROIs.

The Energy Bureau **TAKES NOTICE** of the Request and **GRANTS LUMA until August 30, 2024**, to file its response to the ROIs. The Energy Bureau **WARNS** LUMA that:

- (i) noncompliance with this Resolution and Order, regulations and/or applicable laws may carry the imposition of fines and administrative sanctions of up to \$25,000 per day;
- (ii) any person who intentionally violates Act 57-2014, as amended, by omitting, disregarding, or refusing to obey, observe, and comply with any rule or decision of the Energy Bureau shall be punished by a fine of not less than five hundred dollars (\$500) nor over five thousand dollars (\$5,000) at the discretion of the Energy Bureau; and
- (iii) for any recurrence of non-compliance or violation, the established penalty shall increase to a fine of not less than ten thousand dollars (\$10,000) nor greater than twenty thousand dollars (\$20,000) at the discretion of the Energy Bureau.

Be it notified and published.

<sup>1</sup> LUMA Energy LLC and LUMA Energy ServCo LLC (jointly referred as, "LUMA").
