PUERTO RICO PUBLIC SERVICE REGULATORY BOARD  
PUERTO RICO ENERGY BUREAU**

**IN RE:** DISTRIBUTED GENERATION  
INTERCONNECTION PROGRESS REPORTS

**CASE NO.:** NEPR-MI-2019-0016

**SUBJECT:** Compliance Hearing Continuance.

**RESOLUTION AND ORDER**

On July 12, 2024, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Resolution ("July 12 Resolution") through which it modified the submission schedule of the interconnection progress reports and compliance hearings as requested by LUMA Energy ServCo, LLC and LUMA Energy, LLC (collectively "LUMA"). The Energy Bureau scheduled the Compliance Hearings up to the *Q4 2025 Progress Report* (i.e., February 23, 2026 @ 10am).

On October 31, 2024, LUMA presented a motion titled *Motion Requesting Continuance of Compliance Hearing Scheduled for November 25, 2024*. Through this motion, LUMA requested continuance of the next Compliance Hearing, in this case, that is scheduled for November 25, 2024. LUMA stated it has designated Ms. María Hilda Rivera Ramírez, Director of Grid Modernization, as one of the witnesses who will attend the Compliance Hearing to provide the explanations sought by this Energy Bureau but, she will not be available to participate in this next Compliance Hearing. Therefore, LUMA requested that the Energy Bureau reschedule the Compliance Hearing and informed that Ms. Rivera would be available to attend the Compliance Hearing on December 4, 2024.

Through this Resolution and Order the Energy Bureau **TAKES NOTICE** of LUMA's October 31, 2024 Motion and **RESCHEDULES** the next Compliance Hearing for **Thursday, December 5, 2024 at 10: 00 am**. All other dispositions of the July 12 Resolution will remain unchanged.

For the Compliance Hearing, as previously established by the Energy Bureau, LUMA **SHALL:** (i) provide all relevant representatives with all pertinent documents for the compliance hearings; (ii) make sure said representatives be ready to answer questions that the Energy Bureau staff and/or Commissioners may have; and (iii) timely file a copy of any Power Point presentation, visuals or materials that LUMA intends to use during the Compliance Hearings.

Be notified and published.
