Case No.: NEPR-MI-2022-0005

Motion to Submit Monthly Report on the
Status of Emergency Generation and Black-
Start Generation Procurement in Compliance
with *Resolution and Order* of July 30, 2024

**MOTION TO SUBMIT MONTHLY REPORT ON THE STATUS OF EMERGENCY
GENERATION AND BLACK-START GENERATION PROCUREMENT IN
COMPLIANCE WITH RESOLUTION AND ORDER OF JULY 30, 2024**

TO THE ENERGY BUREAU:

COMES NOW, GENERA PR, LLC (“Genera”), through its undersigned counsel and, very respectfully, states and prays as follows:

1. On January 23, 2023, the Puerto Rico Energy Bureau (“PREB”) issued a *Resolution and Order* (“January 23 Order”) that conditionally approved PREPA’s RFP process for the procurement of emergency peaker generation systems at Jobos, Dagua, and Palo Seco (“the Projects”), subject to various conditions.

2. On November 8, 2023, the PREB issued another *Resolution and Order* (“November 8 Order”) approving the RFP package submitted by Genera for the procurement of black start and emergency generation services.

3. On February 29, 2024, Genera filed a document titled *Motion to Submit Bi-weekly Report on the Status of Emergency Generation and Black-Start Generation Procurement in Compliance with Resolution and Order Dated January 23, 2023* (“February 29 Motion”), in which Genera stated that initial award was scheduled for March 2024.

4. On July 1, 2024, Genera filed a document titled *Motion to Submit Bi-weekly Report on the Status of Emergency Generation and Black-Start Generation Procurement in Compliance with Resolution and Order Dated January 23, 2023* (“July 1 Motion”), in which Genera included as Exhibit A the Bi-Weekly report describing the status of the Emergency Generation and Black-Start Generation Procurement. Genera also informed that starting on July 1, 2024, pursuant to Footnote 16 of the January 23 Order, reports would be submitted on a quarterly basis, consistent with the fiscal year’s quarters (*e.g.*, July 1 to September 30 for Q1, October 1 to December 31 for Q2, and so forth), and that their next report was due by October 9, 2024.

5. On July 30, 2024, the PREB issued a *Resolution and Order* (“July 30 Resolution”) in which, in relevant part, denied Genera’s request to submit quarterly reports instead of bimonthly reports, and ordered Genera to submit monthly reports beginning on August 15, 2024.

6. In compliance with the July 30 Resolution, Genera respectfully submits its monthly report on the status of Emergency Generation and Black-Start Generation Procurement for the month of January 2025, included herein as Exhibit A.

7. Genera respectfully requests that Exhibit A be kept confidential in accordance with the PREB’s Policy on Management of Confidential Information, CEPR-MI-2016-0009, as amended on September 21, 2016. Through a separate filing, within the next ten days, as set forth in Section A.2 of the PREB’s Policy on Management of Confidential Information, Genera will present a memorandum of law in support of its request to treat as confidential, and to protect as such, the aforesaid portion of Exhibit 1

WHEREFORE, Genera respectfully requests that the PREB **take notice** of the above; **accept** Genera’s report on the status of Emergency Generation and Black-Start Generation Procurement

for the month of January 2025, included herein as Exhibit A; and **deem** Genera in partial compliance with the July 30 Resolution.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, this 15th day of January, 2025.

It is hereby certified that this motion was filed using the electronic filing system of this Energy Bureau, and that electronic copies of this Motion will be notified to the following attorneys who have filed a notice of appearance in this case: **Lcdo. Alexis Rivera**, arivera@gmlex.net; **Lcda. Mirelis Valle Cancel**, mvalle@gmlex.net; **Lcda. María Teresa Bustelo-García**, mbustelo@gmlex.net.
