

**GOVERNMENT OF PUERTO RICO
PUERTO RICO PUBLIC SERVICE REGULATORY BOARD
PUERTO RICO ENERGY BUREAU**

IN RE: NOTICE OF NONCOMPLIANCE WITH THE PUERTO RICO ENERGY PUBLIC POLICY

CASE NO.: NEPR-AI-2025-0001

SUBJECT: Resolution and Order pertaining to *Request for Extension of Time to Comply with Resolution and Order of February 11, 2025*, filed by LUMA Energy, LLC and LUMA Energy ServCo, LLC.

RESOLUTION AND ORDER

On February 11, 2025, the Energy Bureau of the Puerto Rico Public Service Regulatory Board ("Energy Bureau") issued a Notice of Noncompliance to LUMA Energy, LLC and LUMA Energy ServCo, LLC (referred to jointly as "LUMA") because of its decline in the System Average Interruption Duration Index ("SAIDI") metric, surpassing both the previous year and the regulatory threshold.

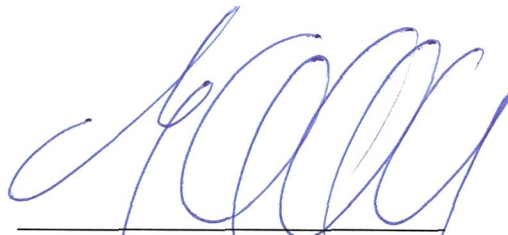

The Energy Bureau granted LUMA twenty (20) days, which expire on Tuesday, March 4, 2025, to respond to the Notice of Noncompliance.

On February 26, 2025, LUMA filed a document titled *Request for Extension of Time to Comply with Resolution and Order of February 11, 2025*, whereby it requested an extension until March 17, 2025, due to the prolonged analysis required to prepare and submit the response ("February 26 Motion").

Upon review of the February 26 Motion, the Energy Bureau **GRANTS** LUMA's request for extension until **Monday, March 17, 2025**, to respond to the Notice of Noncompliance.

The Energy Bureau **WARNS** LUMA that failure to comply with this Resolution and Order will result in the imposition of fines and penalties outlined in Art. XII of Regulation 8543¹ and Art. 6.36 of Act 57-2014.²

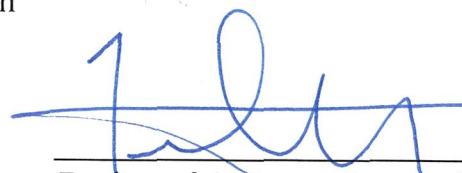

Be it notified and published.
