CASE NO.: NEPR-CT-2023-0001

SUBJECT: REQUEST FOR FTI REPORT

ICSE'S INFORMATIVE MOTION

TO THE HONORABLE ENERGY BUREAU:

Comes now the **Institute of Competitiveness and Economic Sustainability ("ICSE" as its Spanish acronym)**, represented by the undersigned, respectfully states and prays:

On March 26, 2025, ICSE filed before this Bureau the *ICSE's Motion Requesting Access to FTI Report ("ICSE's March 26 Motion")* in its exercise of its constitutional right to free expression as interpreted and implemented by the Supreme Court of Puerto Rico in *Soto v. Secretary of Justice*, 112 DPR 477 (1982), and its subsequent case law.

On April 2, 2025, this Energy Bureau entered its Resolution and Order granting PREPA and Genera to "provide their respective arguments as to why the Energy Bureau should not order the public release of the [FTI R]eport."

This motion is presented to inform the PREB that on the same day that ICSE's March 26 Motion was presented, ICSE also requested access to the FTI Report to PREPA, and the P3A Authority, and informed Genera of the foregoing through its counsel.

These communications in no way bar ICSE's request to this Honorable Bureau given that the claim for access to public documents recognized under the Puerto Rico Constitution may be presented before any public official and/or public entity that has possession of the public document sought.

WHEREFORE, it is respectfully requested that this Energy Bureau take knowledge of the foregoing.

RESPECTFULLY SUBMITTED.

In San Juan, Puerto Rico, April 3, 2025.
